

ST PETER'S • CAMBRIDGE

St Peter's School in Cambridge has a proud reputation for providing a holistic education, producing independent, confident and resilient students who love learning, pursue excellence and serve their community. This makes St Peter's a special place.

With a roll of approximately 1,200 students from Year 7 to 13, we are big enough to compete but remain a close-knit community with a focus on individual pathways for students. We offer both IB and NCEA.

Our campus is home to approximately 450 students, making us the largest co-ed boarding school in New Zealand.

We work in world-class facilities, but we're situated in a uniquely rural environment.

Leaning on our enviable history of academic, sporting, cultural and leadership excellence, St Peter's has a clear and compelling strategy to deliver the highest quality education, with a strong emphasis on future-focused pedagogy and pastoral care. We're proudly affiliated to the Anglican Church.

We seek enthusiastic, committed, passionate and innovative people who want to join our team in inspiring students to want to do more. We also expect you to get involved with our extensive co-curricular programme.
