PRIZE DAY

Prize Day was held in Wednesday, December 9th, when the prizes were presented by H. R. Hornsby Esq., M.B.E., M.A.

Mr Hornsby, who was introduced by the Chairman of the Board of Governors, Dr E. C. Brewis, gave a brief but very telling address to the parents, indicating that their responsibilities in this rapidly changing world were perhaps greater than ever before, and that perhaps the most important thing for parents to remember was that they must be prepared to say "No" far more often than is usually the case.

The Headmaster then read his report:

Mr Chairman, Mr Hornsby,
Ladies and Gentlemen and boys,

Before I say anything about the School I should like to add my words of welcome to Mr Hornsby. I want him to know how glad we are not only that he is here on this platform today, but also that he is Headmaster of our nearest independent secondary school, to which more and more of our boys are going. We are most grateful that he has spared the time to come today as our guest of honour.

1964 has not, I think, been a brilliant year, but it has been a very solid one. Physically, the School buildings and equipment have been mightily improved and it is always a satisfying thing to see this happening.

In the field of sport, the standard of play, and more important, the attitude of the boys towards it, have gone from strength to strength. For the first time in some years, we have been able to give our more serious rivals some nasty frights, and this, I must admit, gives us quite a thrill. On Saturday last, for example, in the cricket match against King's School, we saw the finest display of batting by a preparatory schoolboy that anyone could wish to see, when Captain Robert McCallum scored 57 not out against excellent bowling in considerably less than an hour.

The Arts and Crafts of the School have reached a most creditable standard. In this extremely valuable creative field, there is quite a tremendous output of very high quality. I hope you will take the opportunity to see some of this work which has been laid out for you in the Art Room. I should like to mention here that there now exists a very flourishing Cambridge Art Society, founded by Mr Coney, which meets regularly at St Peter's.

You are all well aware of the fact that the Choir has had a magnificent year. I think it is now clear to all that the St Peter's Boys' Choir is not simply a valuable and useful adjunct to the

life and work of the School, but is indeed a national institution which is of tremendous import to New Zealand as a whole. The facts that the Choir has been asked to sing at the Auckland Festival, and to make a recording for the World Record Club, speak for themselves. The boys who are privileged to take part in this work are gaining an experience which I can confidently assert cannot be matched anywhere in this country, and one which they will never forget. Moreover, it is of great credit to the boys concerned that seven of the sixteen are members of the Hockey XI, the Cricket XI, or of the Rugby XV. To Mr Wells, who has now completed his fourth year with us, I offer the heartiest congratulations for his untiring efforts, his inspired leadership and his uncompromising search for pure excellence.

The academic standards of the School, which we consider to be so vital, are showing a very encouraging trend. In the examinations just past, for example, scholarship papers for our leading secondary schools were used to test our top classes, and their results have been very creditable. The standard achieved, and perhaps more important, the maturity of outlook of the hard-working boy of, say, 12 in 1964, far outstrips that of his counterpart of twenty years ago. May I say here how grateful I am to the vast majority of parents for their great help in this field. I look upon any school as a place where the staff devote their efforts to helping parents educate their sons. Inevitably, the ideas, theories and methods of a school will conflict, here and there, with those of individual parents, even though the ultimate aim, the betterment of the boy, is the same. I am delighted to see how many parents take the view that this stage in their son's life is an episode, a part not the whole, fraught with its own obligations and not at all endowed with special privileges. Wherever this is the case, the boy concerned has no sense of frustration, or aimlessness, or of being cheated. He is just what he ought to be—a decent, fun-loving, serious minded, appealing fellow, for whom the day is never long enough.

And while talking of parents, I should like to mention the Garden Party held on Labour Day. This was the first occasion since I have been here when parents, boys and staff have made a truly joint effort. The response was quite wonderful; it was a great day in the School's year, and should, I feel, be made an annual event.

And now I come to the Staff, upon whom literally everything depends. First I would like to pay tribute to Mrs Rikihana and her staff in the kitchen; she has well maintained the tradition that the food at St Peter's School is second to none. As I watched the boy next to me at breakfast the other morning eating his bacon and two eggs, I said: "Any complaints?" and his only reply was: "The toast isn't very hot this morning, Sir"

I should like to congratulate Matron, Mrs Old and Mrs Meddings on the continuing splendid record of health among the boys. I have never known a school where there is less sickness.

Miss Elliott, the School secretary, left us at the end of the first term, after three years' excellent service, to work in Auckland. She has our very good wishes. Her place has been ably filled by our Chaplain's wife, Mrs Coney.

Mr Graham and Mr Hopping, who have been with us for two years, while attending the Hamilton Teachers' College, are about to leave us. They have taken part in many activities in the School, from athletics to kite-flying. We shall miss them, and we thank them for all they have done. Mr Dunlop has already arrived to replace one of them, and we welcome him most warmly. He will be joined next year by Mr McIntosh, from Wanganui.

To Mr Wells we offer our warm congratulations on his engagement to Miss Mather. They are to have a choral wedding in the Chapel on Saturday next, when Mr Wells will not be conducting anything except himself.

To the Housemaster, Mr Muffett, I offer my very sincere thanks for his tireless efforts to make the House a happy efficient place. He is a tower of strength in every field, and I am most grateful.

To Mr Coney we offer our congratulations on his ordination to the priesthood. We are indeed fortunate to have our own Chaplain; in my experience, a good school chaplain is the hardest of men to find, and we have found the right man.

And so I come to Mr Ball, who has served hundreds of St Peter's boys since 1947, in a score of different capacities. I think that the regard in which Mr and Mrs Ball are held is best evidenced by the tremendous number of Old Boys who are constantly visiting their house, always receiving the warmest of welcomes. I do not propose to attempt to list the qualities and virtues of these two people, many though they be. It would simply be a presumption on my part. All I want really to say is that we are truly grateful for all they have done, and to tell them that they will always be most welcome at this place.

I should now like to announce the Prefects for 1965. They will be: A. D. A. Burt, A. D. Brown, V. F. R. Jones, D. J. S. Laing, G. K. Walter. Second Prefect will be I. K. Fraser. Head Boy will be P. D. Hodgson.

Presentations were then made to Mr Ball by the Board of Governors, the President of the Old Boys' Association, Mr Graeme Reid, and by the Head Boy, Robert McCallum. This was followed by the presentation of prizes by Mr Hornsby, and the presentation of sports trophies by the Head Boy's mother, Mrs G. M. McCallum.

STAFF NOTES

At the beginning of the year Miss D. G. Needham took up her duties as Matron. Miss Needham had already been on the staff of St Peter's prior to her trip overseas, and was, therefore, well acquainted with all the intricacies of the life of the House. She carried out her duties for the year most efficiently, as always. She has now left us again with the aim of doing some further travelling overseas, and she takes our warmest wishes with her. Her assistants during the year were Mrs M. E. Willey (Second Term) and Mrs C. L. Old (Third Term).

Miss L. E. Elliott, the School Secretary since the First Term, 1961, left at the end of the First Term to take up a post in Auckland. Miss Elliott always ran a highly efficient office and had at her fingertips the thousand and one jobs that the secretary of a school must understand. She has our very best wishes for success in her new post.

The visiting Music Staff was augmented in the Third Term by Mrs C. M. Worth, L.T.C.L., F.T.C.L., L.R.S.M., A.Mus.T.C.L., who came as Violin Tutor. She quickly gained the confidence and respect of her pupils and equally quickly had a marked effect on the standard of work done in this sphere.

At the end of the year Messrs Graham and Hopping, who had been Resident House Tutors during 1963 and 1964 while attending the Hamilton Teachers' College, left us. They gave much valuable help during their stay at St Peter's in almost every activity, and they will be sadly missed. They take with them our warmest wishes for the future. In the middle of the Third Term Mr R. O. Dunlop arrived from Palmerston North. He will be with us as House Tutor until the end of 1965, and has already shown that he is more than willing to throw himself wholeheartedly into all that we do.

CHAPEL CHOIR, 1964

CANTORIS—Timothy Willis (Head Chorister), Anthony Brown (Senior Chorister's medal), Stephen Clougher, Peter Hewson, Murray Graham.

DECANI—Ivan Posa (Leader), Ian Fraser, John Tuku'aho, Anthony Hodge (Term I), Christopher Robbins, Christopher Harman (Term III).

ALTOS—Paul Sanderson (Leader), Donald Saunders, Julian Hughes, Grant Kramer-Walter, Stephen Gardner, Tofa Tuita.

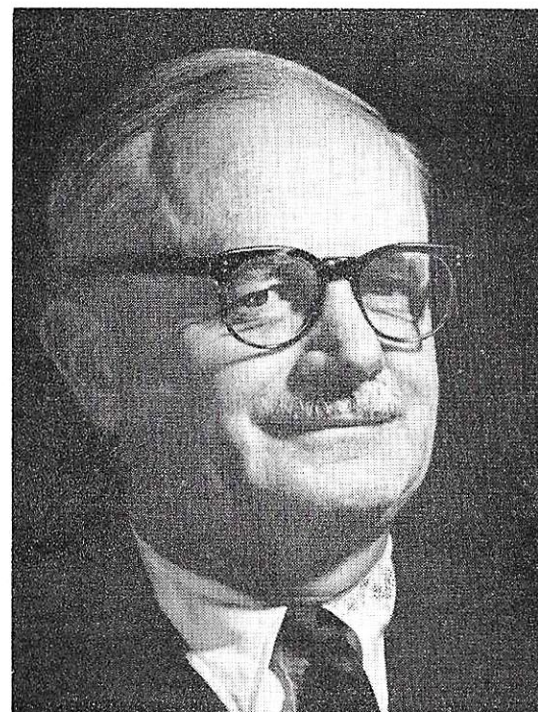

PROBATIONERS—Mark Barclay, James Fair, Ian Forster, Anthony Harman, Peter Vincent, Roderick Witters, Richard Dale (Term III), Simon Trevethick.

Stephen Gardner was admitted as a chorister on December 11th. The Royal School of Church Music Challenge Shield was won this year by Cantoris Trebles.

The Choir would like to record its appreciation of the contribution made by the Headmaster and Mr Michael Selby who have sung the bass parts throughout the year, and Mr B. W. Currie, who has again sung tenor and acted so ably as the assistant Organist. Mr Currie left us at the end of the year to travel overseas. He takes with him our thanks and best wishes. We congratulate Anthony Brown and Paul Sanderson who were chosen to sing the part of Amahl in Menotti's opera "Amahl and the Night Visitors" at the Hamilton Teachers' Training College. Anthony Brown received the further honour of being invited to sing the soprano recitatives in this year's presentation of "Messiah" in the Auckland Town Hall.

During the year the St Peter's Boys' Choir reached national prominence as a result of its many public appearances and broadcasts. The boys justly deserve the high praise they have received both in the Press and the concert hall for the very high standard of performance maintained so uniformly throughout the year. Given continued opportunity, I have no doubt that they will maintain the fine reputation they have achieved.

G.R.W.

J. E. M. BALL

Probably every School year closes with the words "Valete, we wish success to the following leavers." But it is very improbable that the list of those moving on will include the name of one who has served the School faithfully for eighteen years, and eighteen very full years at that. It was the good fortune of St. Peter's to have had the devoted and willing service of Mr John Ball from 1947 to 1964, and as he sets out for Southwell School, we wish him well, and thank him for his years of hard work and faithful application.

It would be presumptuous to try to list the sterling qualities of Mr Ball, but no appraisal of his service to the School would be complete without mention of and emphasis on his deep feeling towards St. Peter's and his comprehensive knowledge of its history and its boys. The continual stream of visitors to his home is evidence of the esteem in which he and Mrs Ball are held by former pupils and staff.

On Prize Day, evidence of this was shown when they were presented with a magnificent chiming clock by the Present Boys, a silver tray and glasses by the Staff, and two very handsome cheques by the Old Boys' Association and the Board of Governors.

We thank you, Mr Ball, for your friendship, teaching and all those other activities which you so willingly undertook, and to you and your wife we extend our very sincere good wishes for the future.

THE BEVAN CUP, 1964

The Bevan Cup Music Festival was held on Saturday, November 7th, 1964. The judge was Mr Ray Wilson, Mus.B., L.R.S.M. conductor of the Auckland Choral Society.

The past four years have seen a steady increase in entries reaching a total of ninety-four for this year's Festival. Eliminations, held a week before, provided an opportunity to select a well-balanced programme of fifty-four items. For those selected to play, the honour was fully justified and in most sections a very satisfactory standard of performance was achieved. It is true to say that even the most critical musicians among us could find great pleasure in the performances given at this year's Festival. For those not chosen to play, the day must have been an incentive to work harder just as much as it set a standard for them to work for.

We wish to thank Mr Wilson for his careful judging and helpful comments. At the conclusion of the afternoon programme he awarded the Cups as follows:

Bevan Cup—Brown, A. D.

Music Challenge Cup—Brown, Saunders and Sanderson for the Mozart "Trio".

Junior Piano Challenge Cup—Cooper.

The Festival concluded with Choral Evensong.

"ALICE IN WONDERLAND"

The School play for 1964 was "Alice in Wonderland". Practically every boy in the School took part either as actors or stage hands so that it really can be said that it was a School effort.

All who participated gave of their best and with the utmost enthusiasm. They had to sing, they had to dance, and they had to act. Costumes were made by parents and hours of work must have gone into their making. We are indeed very grateful to all who assisted in any way.

The headdresses of crowns and some of the animal heads were made by the boys themselves in their art classes, as well as the hundreds of spades, hearts, diamonds and clubs of all sizes which were used in the general decor.

The music for the dances was taken from the folk dances of England, Scotland, Sweden, Germany and Holland. And here a special word of commendation must go to Robert McCallum ("Edgar, music!") for producing the right music at the right time, and there was much of it, without a single hitch. This was a great feat and one that required the utmost concentration.

Four very successful performances were given; one to the Cambridge Senior Citizens, one to the Hamilton Old Folk, a performance for the general public in the Cambridge Town Hall and one for the parents in the School Hall.

It is difficult to single out individual members of the cast but mention should be made of the performances of the principals who

were Timothy Willis, as Alice; Ian Fraser, White Rabbit; Anthony Brown, the Mouse-with-the-long-tail; Paul Sanderson, Dodo; Paul Brown, the Duchess; Peter Hodgson, the Cook; Christopher Marsh, King; Vaughan Jones, Queen; the Tea Party Trio, Perry Harding, Nigel Dean and Jonathan Syder as the Mad Hatter, March Hare and Dormouse; John Tuku'aho, who played the part of Gryphon and Julian Hughes as the Mock Turtle, deserve special praise, in particular, John Tuku'aho's dancing act.

EVENTS OF INTEREST

SCHOOLBOYS' PUBLIC SPEAKING COMPETITION

On 25th July the Founder's Silver Medal for Public Speaking was won by Ian K. Fraser for the second successive year.

The judge, Mr G. N. Marshall, M.A., Headmaster of the Cambridge High School, explained to the eleven finalists and the hundred or so members of the audience, that a vital necessity was to keep strictly to the subject chosen, ensuring that not a word of extraneous material should be introduced. The winner's subject, "Should Red China be admitted to the United Nations?", was a difficult enough topic for a 12-year-old boy, but was handled with remarkable persuasiveness and insight.

Mr Marshall also advised the competitors, that in their reading, which included both prepared and unprepared passages, it was a great advantage to hold the attention of their audience not only by a clear, well modulated voice, but also by looking at them from time to time.

The Junior Reading Competition, open to boys in Middle School and below, was won by Ray K. Le Prou.

THE VIENNA BOYS' CHOIR

On Friday, the 21st June, after a boring choir practice, Mr Wells (our Choir-master), told us that he had at last procured sixteen seats in the Founders' Hall for us. He told us too, that we were to assemble in the courtyard straight after first prep., and to be dressed in our suits, blazers (but not caps).

That night, after prep., we were all standing in front of the hall, chattering excitedly, very excitedly, for we were about to board cars which were to take us to see the world-famous Vienna Boys' Choir!

Soon we were on our way. Mr Wells had five boys in his new Cortina; Mrs Sing, our piano teacher, in her yellow Vauxhall Velox; and Mr Thornton in his school-wide famous Rolls-Royce! After a short time we arrived at the hall, and five minutes' walking brought us to the inside of the building where a long queue almost completely blotted out the big notice leaning against the hard, concrete wall, which read, "See the amazing Vienna Boys' Choir," with the first three words in an exciting style, and the important ones in decorated block capitals.

When we at last came to the ticket-collector, we were in an impatient mood, but when we were shown to our seats all signs of this vanished, for they were remarkably good ones; about in the middle, and afforded an excellent view of the stage, before which were hung beautiful, pink curtains, which had darker edges, and were embroidered with black at the side.

Soon the overhead lights went out, and a few minutes later the curtains parted, the conductor walked on, bowed briskly, and turned to the choir, which had already assembled on stage before the curtains had opened.

After the National Anthem, there followed a number of short, lively songs, then a few slow, melodious chants, followed by a comic operetta.

Time went by slowly in the breaks and intervals between items, but it was worth waiting to hear more, but after the operetta there was nothing more of great interest, and after being counted carefully we were bundled quickly into the cars we came in and were soon on the Hamilton highway, speeding back to school.

When we arrived there we were ordered to go straight up to Matron's pantry where cups of scorching cocoa awaited us, and after we had drunk enough to make us sleepy we tottered off quietly to our dormitories, where we changed in a speedy fashion, folded our suits, and climbed into bed, dreaming or thinking probably of the Vienna Boys' choir-practices.

AM AHL

On Tuesday, the 27th October, thirty-four boys culled from the "Red Mark" list were taken to the Teachers' Training College to see the one-scene Opera, "Amahl". Paul Sanderson, head alto of the choir, acted the part of Amahl. There were two pianos accompanying him, and a small orchestra accompanied Brown mus., who played the part of Amahl that night. This small opera was about the three wise men going to see Jesus. They stayed at the house of Amahl and his poor widowed mother overnight and while they slept Amahl's mother tried to steal some of the king's gold. She was caught, but forgiven. In the end Amahl decided to accompany the three wise men to see Jesus.

The singing was all excellent, and we all, including Mr Wells, enjoyed it thoroughly.

THE BERKSHIRE QUARTET

On Wednesday, 22nd March, Mr Wells took four boys to the Berkshire Quartet, which was at the Hamilton Girls' High School. We left after Prep. and came home about 10 o'clock.

The quartet consisted of two violins, one viola and one 'cello.

The first was a Quartet by Haydn in E flat. It consisted of four movements. We all thought this was the best part of the concert. Next came a Quartet by Bartok. It was good but I preferred the Haydn. Mr Wells liked it.

After a small interval, we heard a Quartet by Beethoven which had five movements. It was very lively in parts.

At the end of the concert we came back to School after a very enjoyable evening.

A. B. Brown, S.D.

MAYORAL RECEPTION

On Wednesday, the 29th of July, Mr Wells and I were invited to a Mayoral Reception as guests of the Broadcasting Corporation. Mr Matteucci, the new conductor of the N.Z.B.C. Symphony Orchestra, and Mr John Ogden, a visiting English pianist, were welcomed to New Zealand in the Council Chambers. After a welcoming speech by the Mayor, Mr Matteucci told us a little about his country, and then Mr Ogden made a short speech. Morning tea was served in the cafeteria, during which time I had my photograph taken by a "Waikato Times" reporter with the two musicians.

TRIO DI TRIESTE

On 6th July, 1964, four boys went to hear the Trio Di Trieste which is composed of a pianist, Dario Di Rosa, a violinist, Renato Zanettovich, and a 'cellist, Amedea Baldavino.

The concert opened with a Sinfonia in D minor by the ill-fated composer Alessandro Stradella. It was made up of six parts: Prelude, Fugue, Andante, Gigue, Andante, and finally a Corrente. This was followed by a Trio in B flat major which Mozart wrote in 1786. It is composed in three movements: Allegro, Larghetto, and Allegretto.

The last piece was Trio in F minor by Dvorak which was composed early in 1883.

The Group then played an encore which ended a thoroughly enjoyable concert.

V.F.R.J., S.D.

RIGOLETTO

The opera "Rigoletto" was, in my opinion, very colourful, and moving. Going backstage afterwards was very intriguing.

The means of transport was as follows: Mr Thornton's Rolls-Royce, Mr Wells' Cortina, and Mr Coney's Standard Traveller. On the return journey, Mr Coney's car had a puncture. In the car were eight boys. At 12 o'clock we (those who had the puncture), sank into bed after half a night of opera, a flat tyre, and a fairly uncomfortable ride.

The opera itself expressed its story very well. One night scene was very spooky. It was one of those things that makes your blood freeze.

Some clouds, made by two hidden projectors, were just like real ones.

S. R. Trevethick.

THE WONDERFUL WORLD OF MAKE BELIEVE

The Southern Comedy Players presented "The Wonderful World of Make Believe" in the Cambridge High School Hall on Friday, 2nd October.

It consisted of a collection of scenes from well known plays and fairy tales, including "Alice in Wonderland", "Oliver Twist", and "Androcles and the Lion".

First on the programme were some poems by A. A. Milne, taken from the book "When We Were Very Young". Then followed "The Silver Snuffbox". It was a story from Napoleonic times, about a traitor who is caught taking plans to the French in his snuffbox. Other scenes were "The Mad Hatter's Tea Party", from "Alice in Wonderland", "Androcles and the Lion", about a man and his wife of Roman times, who find a lion with a thorn in his foot, and remove it. "The Princess and the Woodcutter in which a princess marries a woodcutter instead of one of three other princes. There are some nursery rhymes, the origins of which were told.

Altogether the performance lasted an hour and a half, and I think everyone present enjoyed it immensely.

V.F.R.J., S.D.

THE DELLER CONSORT

On Tuesday night, April 28th, Mr Wells took four choir-boys to hear the Deller Consort in the Founders Theatre, Hamilton. The music performed was of particular interest as we had just studied music from that period, the XVIth Century.

The Consort consisted of six singers: Alfred Deller, singing counter-tenor (alto), Ellen Dales and Kathleen Aitken (soprano),

Christopher Keyte (bass), and Philip Todd and Max Worthley (tenor). Desmond Dupree played the lute and also two guitar solos.

The concert began with five English Madrigals, two of them by the famous composer, Thomas Weelkes, and another one by Pilkington. The concert continued with two duets, by Purcell and Blow.

Later there were four songs for male voices, including two very amusing ones, "Fie, nay, prithe John", by Purcell, and "Wine Does Wonders", by Eccles.

The consort continued with four Italian Madrigals, by Lassus, and Monteverdi.

In contrast, the concert ended with five English folk-songs, arranged by Vaughan Williams.

A BUSH FIRE

The sun is just rising over the Australian desert. A koala stirs in the branches as the birds start singing their morning songs. Two bushmen, after a successful dingo hunt, are celebrating with a bottle of beer. Finishing, they throw away the bottle and pack up camp, thinking of the money they will get for the dingo scalps. The sun has risen higher and now shines more brightly, throwing its golden beams on the scant trees and tinder-dry grass. The sun's rays also shine on the beer bottle, making a magnifying effect . . .

At 12 o'clock the bottle explodes with a sharp "crack"! Instantly the animals of the bush are alert. Now a smoulder appears in the dry grass, suddenly turning to a searing flame, as animals flee, and birds fly, calling the danger signal. Not far away, a herd of kangaroo is feeding, and smelling the smoke, they bound away, their tails thumping on the hard ground, and their babies tucked away in their pouches. Suddenly, a wall of flame comes rushing through the brown grass, burning all in its path. A giant eucalyptus, full of oily sap, suddenly bursts into flame, killing birds, and sending a huge flame high in the air. Instinctively, the animals and bush creatures start running or crawling to a small river which flows slowly through a clump of eucalypti. They know that this will protect them, and some plunge in, while others hesitate at the water's edge. Friend or foe, they all went there, crawling over each other in their haste to get to the water. Two dingoes, after successfully swimming across the river, lay panting and watching the flames leaping and raging right to the point of land they had just left. The wind veered slightly, and the flames ran ahead of it like beasts clothed in flickering light. For a long time the two dingoes remained where they were, and then they went into the water. Both trod carefully, every now and then stopping to give their burnt paws a healing lick. The other bush creatures suffered terribly, but they too, still clung to their shattered lives. Some of the living came dragging their crippled bodies to the water. A blackened snake dipped its shrivelled head. Once, it had been deadly, quick as a whiplash, and venomous. Now it is scarred and burnt, its glossy shine gone.

Not far away, ranchmen and Aborigines had helped to fight the fire, beating at it with green branches. Now the whole countryside is black. Not a green shoot showing. Now the rains will have to come, new crops will be planted, and life will start again. Many creatures have died in the fire, but the others will start life anew, and once again, the Australian desert life-cycle will begin, in a free open country.

THE FLOOD

It's raining; It's raining; It's raining.
 Dark clouds hang like leaden weights from the bleak sky,
 But a few weeks ago it was absolutely dry.
 Muddy Waikato overflows its banks,
 Sweeping away sinks, basins and tanks,
 Muddy Waikato deepens its depths,
 As the water creeps up round the doorsteps.
 Flotillas of saucepans float out the door,
 While a light bulb falls from the roof to the floor.
 As people paddle through flotsam and jetsam,
 The torrent of water immediately wets them.
 Three weeks later the floods subside,
 And people again sit happy inside.
 It is alas not a peaceful abode,
 And a river now flows where there was once a road,
 And Gran'pa then is heard to say,
 "I'm glad it was only four weeks and a day,
 And now all is quiet in Hillbury vale,
 I'm glad it was water and not heavy hail".

THE HOUSE COW

Jumpety-Walkety-Trot-and-go-Three,
 Was lying asleep on her side in the sun,
 The old house cow.
 She was whisking the flies with her short dirty tail,
 From her ears and her eyes,
 Jumpety-Walkety-Trot-and-go-Three
 Was leaning against her side in the byre,
 Waiting for the milkman to attend to her needs,
 Jumpety-Walkety-Trot-and-go-Three.

A WET MORNING

It's cold, it's windy, it's wet.
 The puddles are frozen, the trees are bare,
 Their gaunt branches reach up to a bleak, cold, and merciless sky.
 Mists are drifting across ice-cold rivers,
 And icicles hang from the outside eaves.
 The milkman, ruddy cheeked, and clad in furs,
 Comes whistling down the lonely streets.

NOON

During the day drizzle falls intermittently,
 And children blow on frost-nipped fingers;
 Workmen trudge wearily to work,
 Blue-nosed, and cursing the cold;
 The grey clouds scud across the sky,
 While the sparrows and blackbirds dig for their lunches.
 Everyone envies the woolly-clad sheep
 Which bunch together for extra warmth.

NIGHT

Night falls;
Fog descends;
Smoke rises from the chimneys;
The wind starts wailing its mournful song,
As it howls and blows down the chimneys.
Families huddle together inside by blazing fires.
While the snow falls;
The gales blow;
The trees majestically bow;
It's cold, it's windy, it's wet.

SPORT

CRICKET

As far as matches are concerned we have had only a moderately successful year, but in playing them we have had a lot of fun. Most boys in the two teams concerned have greatly improved in some way, and all have gained in experience.

The 1st XI began this year with a number of relatively inexperienced players. Only McCallum, who was appointed captain, Dean and Shaw remained from last year's team, and a few boys had had no previous match experience at all. It was hardly surprising, therefore, that we lost the first match rather miserably. However, the team gradually improved individually and as a group, and gave a good account of itself against both King's and against Southwell—the latter provided a most exciting finish. In the third term we lost to Cambridge Intermediate and Southwell, but achieved a very creditable draw with King's. The "A" team, which generally contained boys likely to be back next year, defeated Richmond Park and Patetonga.

Our batting at first was lamentable and far too much reliance was put on McCallum. However, as time went on this state of affairs improved and on several occasions, notably against Southwell in the third term, the later batsmen scored well after the earlier ones had failed. McCallum was quite outstanding both as a batsman and a bowler, and always set an excellent example in the field. He recorded scores of 41, 46, 24, 42 not out and 57 not out, while seldom did anyone else even reach double figures.

The brunt of the bowling was borne by McCallum, Posa, Dean and Shaw, while in the third term Jones and Espie also gave considerable assistance. McCallum was by far the most consistent and successful, achieving figures of 8 for 16, 5 for 12, 5 for 28, 5 for 31 and 3 wickets in an innings on four occasions. Posa bowled very well on occasion, especially during the first term, but was temperamental and unreliable on several occasions. Dean and Shaw proved very useful as change bowlers on most occasions, and Jones came to light in the final match at King's.

The fielding was usually good, but special mention should be made of McCallum, Dean, Shaw and Melville. Sanderson did reasonably as wicket-keeper.

Colours for 1964 were awarded to McCallum and Dean.

The 1st XI was as follows: McCallum, Dean, Shaw, Posa ma., Jones, Sanderson, Melville, Brown ma., Burns, Fraser and Espie. Tuita, Thode and Findlay also played during the first term. Unfortunately, Tuita injured his leg on Sports Day and was unable to play at all in the third term.

ACCOUNT OF MATCHES

First Term

March 7 v. KING'S COLLEGE COLTS B (away)

King's—135 (Hanna 41, Robertson 30, McCallum 3 for 40, Posa ma. 2 for 18, Tuita 1 for 8).

St Peter's—41 (McCallum 17; Hanna 3 for 15, Cole 3 for 3).

King's batted first, opening with Hanna and McAvoy to the bowling of Posa and McCallum. Posa drew first blood when he had Hanna caught behind by Sanderson (10 for 1). Shaw relieved Posa and trapped McAvoy l.b.w. (25 for 2). Hanna and Springhall then added 30 good runs for the third wicket, punishing some loose bowling from Shaw and Dean severely. When McCallum came on again he immediately took two wickets with successive balls. Sanderson and Shaw taking good catches (55 for 4). Shortly afterwards Tuita and Posa claimed a wicket each and 6 wickets were down for 60. At this stage Robertson came in and was soon into his stride, hitting boldly. At 86, Hanna was run out and Johnson was bowled by McCallum (86 for 8). The tail wagged with spirit and 49 more runs were added (Jessop was run out at 115) before King's declared at 135 for 9 wickets.

Our batting was shown to be very inept and wickets soon began to fall. Only McCallum could cope with the steady bowling by King's and, after 3 wickets had fallen for 27 runs and 6 for 37, the side was out for 41 runs.

March 14 v. ST PAUL'S COLLEGIATE (home)

St Peter's—67 (McCallum 41, Posa ma. 17, Willcox 8 for 29, Watson (2 for 6).

St Paul's—34 (Wilson 10; McCallum 8 for 16, Dean 2 for 7).

We started badly, losing Sanderson, Dean and Tuita to Willcox in the course of 6 overs (6 for 3). McCallum and Posa then took control and began to score steadily. In the course of less than ten overs they added 51 runs before Posa provided Willcox with his fourth victim (57 for 4). McCallum fell to the same bowler (63 for 5), but the remaining batsmen could add only four more runs and we were all out for 67. Congratulations to Willcox for taking 8 wickets for 29 runs in 11.2 overs and to McCallum and Posa for their batting.

Thanks to good fielding and some steady bowling from McCallum, Posa and Dean, St Paul's were all out for 34. McCallum's figures of 8 wickets for 16 runs in 10.5 overs were most impressive. Good catches were taken by Posa, Tuita and Sanderson.

March 18 v. CAMBRIDGE INTERMEDIATE (away)

Cambridge—51 (K. Vagg 19; Posa m. 4 for 15, McCallum 3 for 14, Dean 2 for 5).

St Peter's—36 (Dean 20, Posa 10; K. Vagg 6 for 17, M. Vagg 3 for 5).

McCallum won the toss and elected to field first. After Cambridge had lost two wickets for 10 runs. K. Vagg with various assistants raised the score to 43 for 6 before he was trapped l.b.w. by Posa. Posa and Dean bowled consistently well, the former achieving the good figures of 4 wickets for 15 runs in 9 overs (5 maidens). McCallum was out of touch at first, but later recovered and took the last two wickets in successive balls (51 for 10).

Unfortunately this was not McCallum's day, for, after we had lost Sanderson (2 for 1) he completely missed a straight ball from Clow and was bowled without scoring (3 for 2) a disastrous start. However, Dean kept his head and played an invaluable innings for his side. Helped mainly by Posa (9) he collected runs steadily and when Posa was bowled by K. Vagg the score stood at 31 for 4. This seemed to be a heartening position, but when the next three batsmen more or less threw their wickets away by their inept and careless shots (32 for 7) the situation changed very rapidly. Dean eventually fell to a catch off K. Vagg after making 20 valuable runs (36 for 8) and the last two wickets fell at this same total—a most disappointing finish but a well-deserved victory to Cambridge.

March 21 v. KING'S SCHOOL (home)

St Peter's—92 (McCallum 46, Melville 15; Liggins 4 for 17, Salter 3 for 14, Thomas 3 for 33).

King's—45 for 5 wickets (Liggins 19 not out; Posa ma. 3 for 14).

Having lost the toss we were put in to bat. After losing Posa (7) and Dean (8), we had scored 16 for 2. McCallum proved to be in good form and soon began collecting runs confidently and in all directions. Unfortunately, his partners were not so confident and three of them fell to Liggins and Thomas (37 for 6) before Melville joined him. These two batsmen gave a good exhibition of stroke-play and of running between wickets and put on 41 runs

for the seventh wicket before Melville was caught (78 for 7). Eventually McCallum was eighth out, well caught by Thomas off Liggins for 46—an excellent innings (91 for 8) and the innings closed one run later.

When King's batted, Naismith was run out almost immediately (1 for 1). Posa and McCallum then bowled so well that after eleven overs the second wicket had fallen for only 13 runs. Four overs later two further wickets fell at the same total (13 for 4)—including another run out. In Posa's next over he claimed his third victim (16 for 5) and the innings had up to that point lasted 17 overs (eleven maidens). Liggins and Greendale, however, seemed quite undaunted and soon began stealing singles and twos. In spite of several bowling changes they stood firm for ten overs until "stumps" and added a further 29 runs—a worthy effort under the circumstances. Posa took 3 wickets for 14 in 12 overs (7 maidens) while McCallum, though he failed to take a wicket bowled very steadily, conceding 8 runs in 9 overs (5 maidens).

March 28 v. FATHERS' XI

Fathers—98—(Mr Bayly 20, Dr Fraser 12, Glenn Willis 24 not out; Posa 3 for 24, McCallum 3 for 36).

1st XI—100 (Dean 10, Thode 18, Brown ma. 13, Findlay 10 not out; Mr Bayly 2 for 7, Mr Shaw 2 for 18, G. Willis 2 for 5).

After the Fathers had lost Mr Shaw and Mr Bryce (2 for 7) wickets fell at fairly regular intervals until Dr Fraser, who had opened, was bowled by McCallum (40 for 5). Two more fell at 42 and a third shortly afterwards (48 for 8). This from our point of view, was magnificent. But our complacency was soon shattered as Mr Bayly and Glenn Willis withstood every effort to dislodge them. Collecting singles and twos they piled up no less than 50 runs before Mr Bayly was run out (98 for 9)—an excellent partnership. Mr Treve-thick was run out at the same total.

Our innings followed similar lines. Posa was very well caught by Mr Bayly (1 for 3) and McCallum paid the penalty for treating Mr Bayly's bowling with disrespect (19 for 2). Then three wickets fell at 25, before Shaw and Melville became more confident and raised the score to 43 for 7. The situation looked black indeed, but Thode (18), Brown ma. (13) and Findlay (10 not out) aided by "Mr Extras" 20 (including 12 wides), managed to scrape past the Fathers' total before Thode was judged l.b.w. to Mr Bayly. And so ended a most enjoyable and well stage-managed game.

April 1 "A" TEAM v. RICHMOND PARK (away)

Richmond Park—37 (Fisk 15, I. Reid 11; Posa 5 for 11, Shaw 3 for 3, Dean 1 for 7, Thode 1 for 5).

St Peter's "A"—45 for 8 wickets (Shaw 8, Fraser ma. 8 not out), Morrison 2 for 2, Shaw 2 for 3, Edwards 2 for 18).

For this match we fielded an "A" team consisting of boys, likely to be back next year, under the captaincy of Dean. Richmond Park batted first but were soon in trouble, losing their first two batsmen to Posa for no score and the next two for eight runs (8 for 4). Then, after three wickets fell at 16 (16 for 7), Fisk (15) and Edwards (5) added twenty very useful runs before Posa bowled the former (36 for 8). Edwards followed soon after and the innings closed at 37. Posa, once more, bowled extremely well, taking 5 for 11 in 8.2 overs, and was ably assisted by Shaw (3 for 3 in 6 overs), Dean and Thode. Sanderson took two good catches "behind." Our fielding was generally good, though some catches were dropped.

Our batting left a lot to be desired, far too many wickets being virtually thrown away through carelessness due mostly to over-confidence. Dean was soon out without scoring (1 for 7). Posa, Shaw and Thode soon followed (4 for 17). Jones was bowled at 27 and Sanderson at 29, and, after some anxious moments, Hodgson foolishly ran himself out when in sight of victory (34 for 7). Laing joined Fraser and these two passed our opponents' score, giving us a win by 2 wickets. Just before "stumps" Laing was bowled (45 for 8).

April 4 v. SOUTHWELL (away)

St Peter's—72 (McCallum 24, Posa 12; Gee 5 for 24, Mason 4 for 19).

Southwell—72 for 9 wickets (Gee 25, Smith IV 13 not out, Fitchett 12; McCallum 5 for 31, Dean 4 for 15).

This proved to be the most exciting match of the season. The teams were evenly matched and the result was in doubt right up to "stumps."

We lost the toss and batted first, Dean and Posa opening to Mason and Gee. Dean took seven runs off the first two overs but was then bowled by one of Mason's expresses (12 for 1). When McCallum joined Posa runs came slowly at first but as the batsmen gained in confidence they took toll of any loose balls. Posa was bowled at 28 but Tuita helped to raise the score to 47 before he was bowled by Scott (47 for 3). McCallum, after giving a sound display of batting, was sixth out at 59. After this there was little opposition and the innings closed at 72.

Southwell began cautiously, losing Davison, caught at point by Dean off McCallum, at 1, and Cording, bowled by the same bowler, at 11. After a few overs, Fitchett tried to force the pace but, after collecting 12, provided McCallum with his third victim (27 for 3). Gee took control and looked quite set when he missed a floater from Dean (46 for 4). Mason failed to score and Banks was well caught by Sanderson behind the stumps (51 for 6). Eight runs later McCallum bowled Thorpe (59 for 7). The excitement began to mount, but so did the runs. Smith hit six runs off McCallum before Melville safely held a catch from Collingwood (66 for 8). Twelve minutes left and only seven to get. One run off Dean, a maiden from McCallum, four singles off Dean (71), another maiden from McCallum and a maiden from Dean. Still a run behind when the last over began. A single off the first ball from McCallum (72 level). Roberts failed to hit the next three balls and was bowled by the fifth ball of the over (72 for 9). Scott failed to score off the last ball so the result was a tie, though this was not known immediately as the telegraph had been hoisted incorrectly.

Third Term

November 14

v. ST PAUL'S (home)

St Paul's—79 for 6 wickets declared. (Watson 11, Tapp 24 not out, Wilson 11; McCallum 2 for 25, Dean 2 for 4).

St Peter's—36. (McCallum 21; Willcox 7 for 6, Watson 3 for 12).

In contrast to our encounter during the first term this match was a disappointment from our point of view. We began quite well, capturing the first three St Paul's wickets for 27, but Watson and Tapp, and later Wilson, made light of our attack. McCallum and Dean were not at their best and Posa was absent. When Shaw came on, however, he had Watson and Willcox caught in his first over, a maiden (43 for 5), but after two further maidens he was taken off. Wilson was caught by Shaw off Dean (70 for 6), but Tapp remained undefeated.

Our batting, except for that of McCallum, was lamentable. Admittedly, Willcox and Watson bowled to a length and gave little away, but even so there was little excuse for the "haymakers" which were all too prevalent. After we had lost 7 wickets for 14 Brown ma. joined McCallum and, although he made only three runs, defended stoutly while McCallum had a chance to score. When the latter mis-hit a ball from Willcox and was caught (33 for 8) the end was in sight. Once again we congratulate Willcox on his bowling: 8 overs, 6 maidens, 7 wickets, 6 runs, a fine performance.

November 18

v. CAMBRIDGE INTERMEDIATE (home)

Cambridge—46 (K. Vagg 17; McCallum 5 for 12, Shaw 3 for 9).

St Peter's—24 (McCallum 7; K. Vagg 5 for 10, M. Vagg 3 for 3).

After Cambridge had lost 4 wickets for 15 we felt quite cheerful, but K. Vagg acted as a sheet-anchor for Cambridge and prevented our advantage from being driven home. After playing patiently until 7 wickets were down for 36, he lashed out at Espie, scoring two fours in the same over, before McCallum claimed two victims (44 for 9) and was last out at 46, a valuable innings for his side.

As in the previous match our batting was extremely weak and ineffective. This time even McCallum failed to reach double figures and we were out for 24, thanks mainly to excellent bowling by the Vagg brothers and good fielding by all.

November 21

v. ST KENTIGERN SCHOOL (home)

St Peter's—21 ((McCallum 11; Gowan 8 for 7) and 72 for 5 wickets declared (McCallum 42 not out, Shaw 12; Gowan 3 for 13).

St Kentigern—42 (Rice 23; Posa 4 for 10, McCallum 3 for 23; Espie 2 for 2, Shaw 1 for 3) and 15 for 5 wickets (McCallum 4 for 6; Posa 1 for 5).

This was a match of contrasts. To begin with our batting once again failed, but this time the failure was due more to good bowling than inept batting. Gowan bowled magnificently, taking 8 wickets for 7 runs in 10 overs (5 maidens), and only McCallum could cope in any way. After he was bowled (16 for 6) the innings closed at 21.

Our opponents passed our score with only two wickets down, but after the third wicket had fallen at 33 and Rice, who opened, was caught "behind" by Sanderson off McCallum (37 for 5), the remainder could add only five more runs.

When we batted a second time, we quickly lost our openers, Posa and Dean, for only three runs, but McCallum soon settled down and, assisted first by Brown ma. (7) and later by Shaw (12), he began to take toll of the

bowling and even Gowan was not excepted. Eventually when we declared at 72 for 5 wickets, made in 21 overs, he was undefeated with 42 to his credit—a fine effort.

Nearly half-an-hour remained for play and in that time our opponents lost 5 wickets for 15 runs. McCallum added to his laurels by taking 4 wickets for 6 runs in 5 overs, while Posa bowled steadily at the other end and took 1 for 5. Burns took two good catches.

November 25

v. RICHMOND PARK (home)

Richmond Park—38 (Jones 4 for 4, Posa 2 for 7, Shaw 3 for 20, Dean 1 for 6).

St Peter's—49 for 5 wickets (Posa 21, Shaw 15, both retired).

This match gave the younger members of our team a chance to show their paces. Posa and Shaw bowled quite well to dismiss the first five batsmen for 26, but when Jones came on with his slow "twisters" the remaining batsmen were all at sea and he took 4 for 4 in 3.3 overs.

After Jones and Dean were out (19 for 2), Posa and Shaw took us past our opponents' score and retired (42 for 4). At "stumps" we had scored 49 for 5.

November 28

v. SOUTHWELL (home)

Southwell—85 (Gee 23, Thorpe 14, extras 13; McCallum 5 for 28, Dean 2 for 9, Shaw 2 for 10, Espie 1 for 6).

St Peter's—63 (Brown ma. 11, Melville 11, Sanderson 10, Fraser 12; Gee 5 for 20, Mason 3 for 17, Banks 2 for 13).

Southwell made a good start by making 34 for the first two wickets, both falling to McCallum. Then there was a dramatic change when McCallum bowled Gee (35 for 3) and Dean accounted for Roberts and Smith in the same over (35 for 5). The score then gradually mounted to 59 for 8, but while Collingwood held one end up, Thorpe and Fitchett caused the "tail" to wag to some effect and 26 valuable runs were added. Congratulations to McCallum, Dean, Shaw and Espie for some steady bowling, especially McCallum who took 5 for 28 in 14.2 overs.

We made a disastrous start, losing Dean to Mason in the first over and then seeing McCallum run out through an unfortunate mistake (7 for 2). The latter so upset Jones that he was soon out (12 for 3) and Posa, Shaw and Burns soon followed (21 for 6). At this stage there was a recovery, staged first by Brown and Melville (41 for 8) and then by Sanderson and Fraser. All four batted soundly and were quite aggressive, scoring at a rate of well over 3 runs an over. We eventually reached 63. It is interesting to note that our overall scoring rate was 2.74 runs per over against Southwell's 2.23. Congratulations to Gee and Mason for their bowling.

December 1

"A" TEAM v. PATETONGA (home)

St Peter's—64 for 4 wickets declared (Fraser 25 not out, Thode 12, Jones 11 not out; Yeandle 2 for 17).

Patetonga—16 (Posa 4 for 4, Vincent 2 for 1).

For this team, captained by Fraser, no Leavers were allowed to play and three Colts (Bayly, Bryce and Vincent) were invited.

After Dean and Posa were bowled (12 for 2), Shaw was caught at 24 and Thode run out at 36. Jones and Fraser then batted well and had reached 64 when we declared.

The Patetonga boys batted well but were no match for our bowlers. Posa took 4 wickets, Vincent 2, and Shaw, Jones, Burt and Bayly one each.

December 5

v. KING'S SCHOOL (away)

King's—118 for 8 wickets declared (Salter 23, Naismith 20, Black 20, Wills 13; McCallum 2 for 33, Jones 4 for 42, Posa 1 for 29, Shaw 1 for 2).

St Peter's—83 for 5 wickets (McCallum 57 not out; Thomas 5 for 41).

When King's batted, Salter played the role of sheet-anchor to good effect. After losing Naismith (20) at 24, Thomas at 47 and Mellor at 49, he was bowled by Jones (63 for 4) with 23 to his credit. Jones continued to bowl well and, though his slows proved expensive, he took four wickets in all—a sound performance. Runs continued to mount but wickets fell at regular intervals—5 for 77, 6 for 87, 7 for 96, 8 for 101—and eventually King's declared at 118 for 8. It is worthy of note that McCallum's first 12 overs conceded only 13 runs and included eight maidens—an excellent effort considering the overall rate of scoring was 2.95 runs per over.

As little more than an hour's play remained our task looked hopeless, but so well did McCallum set about the King's bowlers that by the close of play we had scored 83 for 5 wickets in 24 overs—a rate of 3.46 runs per over—and his personal tally was 57 not out, a magnificent innings.

THE E.P.S.A. MATCH

On the 1st of February our team, which included two present members of Staff, five Old Boys and several old friends, met an English Public Schools Association (Waikato) team and a most enjoyable and interesting match ensued.

We lost the toss and batted first. Mick Brett and John Reeves set a merry pace by collecting 25 runs off the first four overs. Then, to our horror, Winter flashed one through Brett's guard and we were 32 for 1. John Reeves soon followed, bowled by Hulton (36 for 2), after which we lost Beau Baxter, David Thornton and Bruce Babington in fairly rapid succession (54 for 5). Fred Woollams and Henry Bruton then, mixing caution with aggression, pushed the score along to 99 when both were out (99 for 7). Graeme Reeves and Neville Baker added 16 (115 for 8) and the final tally was 130.

After lunch E.P.S.A. batted and Ken Davy was the first to go, caught behind off Brett (12 for 1). Woollams was in great bowling form and the batsmen could do little with him. In all he took 5 wickets for 14 runs in 9 overs. He was ably assisted by Brett, and Graeme and John Reeves. After four wickets had fallen for 37 and 7 for 40, the whole side was out for 51.

Following on, our opponents fared better, but, after the first four wickets had put on 67, there was a slump and the next four fell for the addition of only two runs (69 for 8). However, the tail wagged and took the score to 83, making us bat again.

We only had four to make and we did this without loss, giving us a victory by 10 wickets. We carried on, however, and thanks to good batting by the Headmaster and Beau Baxter, we reached 66 for 1 wicket. Altogether a most enjoyable day's cricket.

FOOTBALL

At last the signs of success are becoming evident. The XV has not, apparently, achieved greater success than it has done during the past few years, but to any ardent supporter who has watched most games, it must be very obvious that a new approach has been made. This has resulted in a much greater effort, and a really strong desire to win, shown by every boy who has taken the field this year. Selfishness would seem to be a thing of the past, and a good combination has been evident throughout the season. All this culminated in a very fine game indeed against Southwell in August. Although the team lost by 8 points to 11, the play was of a very high standard on both sides. St Peter's has finally realized that the tradition of losing is about to be broken. It could even be that next year this will be shown in more than one major fixture.

Colours were awarded to McCallum, Hodgson, Tuku'aho. Tuita.

The XV was chosen from the following: McCallum, Hodgson, Tuku'aho, Tuita, Burns, Thode, Jones, Melville, Parsons, Dean, Posa I., Brown P., Sanderson, Harding, Chatfield, Saunders, Hodge A.

COLTS

Considering the restricted time allowed for practice this year this Club has done remarkably well. An abnormally wet season made matters worse, but at least only one match had to be cancelled owing to rain—against Cambridge East away.

The "A" team steadily improved and combined well. They lost the first match to Leamington early in the season, but thereafter only to Southwell. The return Southwell match, in fact, was very even, both sides scored a try and only a penalty kick for an off-side infringement right in front of our posts late in the game prevented a draw.

The "B" team had two wins, a draw and one loss—also a reasonably good season.

The "A" team normally consisted of the following players: Le Prou, Bayly, Robbins, Shaw, Vincent, Burt, Hewson, Topham mi., Baker, Paterson mi., Topham ma., Trevethick, Brown mi. Fair ma., and Bryce.

Others who also played were Avery, until he found a place in the 1st XV, New and Giles.

HOCKEY

This is the most universally popular game in the School, being thoroughly enjoyed by almost every boy in the School. Unfortunately, however, the season allotted to it is a short one. This year it lasted little more than a month for the Senior Club (i.e. from 16th September to 17th October) and somewhat less for the others. The result, of course, is that it is becoming increasingly difficult to fit in all our annual fixtures. Added to this, the season was abnormally wet, though we did manage to play all our matches except one. We began with only one Old Colour, McCallum, in fact he was the only remaining

member of last year's team. Five others had played for the 2nd XI. McCallum was appointed captain and Melville vice-captain.

Our main problem in the 1st XI was to find a stable and safe defence. Three goalkeepers were tried and after two disappointments we found Shaw who improved rapidly and gave a good account of himself in the last match. The backs were usually reliable, and the halves remained fairly constant, though Willis did not entirely fulfil last year's promise and missed his Colours. McCallum was always a tower of strength at centre-half. The forwards, led by Burns, gradually improved, and were playing well together towards the end of the season.

The first match was against a staff team, but although the XI played well their combination was not good enough and they lost 4—6.

This was a useful "pipe-opener" and the following week we played the Diocesan School. Normally, we play three teams, but this year, owing to a Confirmation exeat, their 3rd XI had to default—a great disappointment for the Middle Club. Our 1st XI, after leading by 2—0 at half-time, managed to win eventually by 5—4, while the 2nd XI won by 2—1.

The following Wednesday we played St Paul's and, playing reasonably well against bigger and more experienced boys, lost narrowly by 2—3.

On the 10th October we played Hereworth. We set off the previous day in four cars, and after a fairly leisurely trip, arrived at Hereworth at 5 p.m. Next day the conditions were dry and fast and the weather was fine. Unfortunately, our team had a disappointing day—the halves did not mark well, the forwards failed to combine

properly, the backs were below their best form and Posa in goal missed several "sitters". This is a somewhat dismal picture but our opponents played very well and no doubt caused most of our mistakes; anyway, we were deservedly defeated by 7—0. We should like to thank our hosts, Mr and Mrs Beatson, for their hospitality and the Hereworth parents, who so kindly billeted our boys and contributed so much to our trip.

On the 14th we were due to play Southwell in Hamilton, but the match, to our great disappointment, had to be cancelled on account of rain.

The final match was against a fairly strong team representing the English Public Schools Association, which we held to a draw, 3 all.

In conclusion, we would like to thank Mr Burns, who helped so ably with the coaching of the Senior Club, and Messrs Burns and Hodgson for their kind help with transport to Hereworth.

ATHLETIC SPORTS

Our annual meeting was held this year on Saturday, 24th October. The weather was fine during the morning and events were run to schedule. After lunch, however, rain caused delays and a number of races involving visitors, Mothers, Fathers, Brothers and Sisters, not to mention a few keen Old Boys, who were present, had, unfortunately, to be cancelled. It had been hoped that the Obstacle Races, which are always popular, might be run on the Monday following, but circumstances prevented this.

The Teams' contest for the Whitney Cup was very easily won by the Dark Blues by the huge margin of 406 points. They provided the winners of all scratch events in the Senior and Middle Sections, conceded first place in only one event, the 440 yards, in the Juniors, and won the Teams' Relay after a good race.

It had been decided earlier in the term to introduce changes into the system used for Standards, as follows: (1) that there should be

two levels in each group—an "A" Standard at the previous level and a "B" one at a somewhat lower one. (2) that points in all Sections should be the same, viz. two points for each "A" Standard gained and one point for each "B" one, and (3) that the Standards points should provide a separate competition and should not, therefore, be included in totals for Cups to be competed for on Sports Day.

Conditions for the Tasman Smith Cup, which is awarded to the boy who scores most points for his side, were, therefore, different from those of past years. Keen competition was kept up all day between McCallum, a Senior, and Bayly, who is in the Middle Section. Eventually both boys scored the same total, 125 points, and will hold the Cup jointly.

In the Senior Section, McCallum recorded five wins and a third, while Melville, Tuita and Burns provided fairly keen competition in most events. Bayly's performance in the Middle Section was quite outstanding. Not only did he win five out of six scratch events in his Section, but he also won the 880 yards Open in fine style against stiff opposition. Furthermore, he broke two School records, adding $\frac{3}{4}$ of an inch to the previous high jump mark, and beating by .7 of a second the time set for the 180 yards as long ago as 1950, though equalled on three occasions since. These performances were all the meritorious when one considers the adverse conditions under which they were made.

In the Junior Section Ingleby ran extremely well and recorded some excellent times. He scored four wins and a third, and, although he did not beat the record set by Vincent in the 140 yards last year, his time was better than the previous records, which had stood since 1937. Others who offered strong competition were Vincent, Topham mi. and Clougher.

Finally, we should like to thank Mr Gordon Reeves, Dr Eaton and Mr Panton for braving the elements to give us such able assistance.

SWIMMING, 1964

ANNUAL SCHOOL SPORTS

The annual swimming sports took place on Saturday, February 29th. The Dark Blues won the Team Competition for the Brown Cup with a total of 244 points against Light Blues' 203 points.

In the Standards Competition which preceded the Team Competition, Dark Blues scored 158 and Light Blues 134 points.

The Waller Cup which is awarded to the boy who gains most points for his team was won by P. Hodgson who scored 16 points. The runner-up was T. Tuita with a score of 12.

The Caldwell Cup for Senior Diving was won by B. Shaw.

The following are the results:

25 yards Crawl :

Junior—1. Braine mi., 2. Clougher, 3. Leighton.
Middle—1. Hodgson, 2. Jones, 3. Thode.
Senior—1. Tuita, 2. McCallum, 3. Burns.

25 yards Breaststroke :

Junior—1. Braine mi.
Middle—1. Hodgson, 2. Cooper, 3. Fraser ma.
Senior—1. Tuita, 2. Burns, 3. Hodge ma.

Middle—1. Hodgson, 2. Jones, 3. Thode.
Senior—1. Tuita, 2. Burns, 3. McCallum.

Hamilton Primary Schools Championship Cup

Two teams were entered for the annual Primary Schools Relay in March of this year. Those in the teams were:

A	B	Reserves
Jones	McCallum	Brown ma.
Hodgson	Harding	Cooper
Tuku'aho	Thode	Posa ma.
Tuita	Burns	

Both teams won their heats and gained the finals in which A team came 2nd and B team 5th. Considering that competition for this Cup is very keen and that all other schools taking part draw their teams from much larger numbers than St Peter's, our boys put up a very creditable effort.

Inter-School Swimming—Cambridge Baths

On March 6th St Peter's took part with nineteen other schools in the fourth annual Swimming Sports. Here again the School acquitted itself very well. Out of twenty events entered for we managed to reach the finals in seventeen. Boys gaining places in the finals were:

Freestyle Championship—T. Tuita.

Freestyle Championship—T. Tuita.

Freestyle Under 12—V. Jones (2).

Senior Championship Events :

Freestyle—T. Tuita.
Breaststroke—T. Tuita and P. Burns.

Intermediate Championship Events :

Freestyle—P. Cooper, P. Hodgson.
Backstroke—P. Hodgson.

Freestyle (Under 8) : P. Lawrence.

Freestyle (Under 9) : S. Clougher.

Freestyle (Under 11) : C. Bayly.

Freestyle (Under 12) : D. Thode, V. Jones.

Freestyle ((Under 13) : R. McCallum.

Senior Relay : St Peter's—P. Burns, R. McCallum, J. Tuku'aho, T. Tuita.

Intermediate Relay : St Peter's—P. Hodgson, P. Cooper, D. Thode, V. Jones.

Medley Relay : St Peters'—T. Tuita, P. Hodgson, J. Tuku'aho, V. Jones.
Flying Squadron (Combined ages not more than 60 years)—A. Brown D.
Braine, P. Cooper, V. Jones, P. Lawrence, D. Leighton.

The following were in the School team—C. Bayly, P. Burns, D. Braine, A.
Burt, A. Brown, S. Clougher, P. Cooper, P. Harding, M. Harman,
P. Hodgson, P. Hewson, V. Jones, P. Lawrence, D. Leighton, R.

OLD BOYS' DAY—FEBRUARY 13th, 1965

During the day many Old Boys visited the School. Unfortunately some remarkably unseasonable weather put paid to any activities at the School except for the Annual Meeting of the Association.

However, the dinner in the evening, held at the Riverina Hotel in Hamilton, was most enjoyable, and it is hoped made up for a disappointing day. The Headmaster and Messrs Oliphant, McDougall (Governors) Mr Ball, Mr Wells and the Reverend Coney were guests of the Association at the dinner.

At the Annual Meeting Mr G. Reid presented the following report of the Association's activities during 1964.
"Fellow Old Boys:

It gives me much pleasure to present the Annual Report for the year ended 31st December, 1964. I will outline briefly the events held over the past year:

Membership—The membership of the Association now stands as follows:

	1963	1964
Life Members 31/12/64	116	128
Financial Members	46	41
School Boys	76	89
Unfinancial Members	134	147
Members—Addresses Unknown	195	199

During the year the Committee met once in Hamilton and once in Auckland. Both of these meetings were well attended.

Obituary.—It is with deep regret that we recently heard of the death of Sister Swears. Sister Swears was the Matron at the School from the time it started in 1936, until the end of 1947. Sister was

loved by all the boys that were at School in that period. Your Association sent a wreath and two Old Boys were pallbearers at the funeral.

Old Boys' Day

Old Boys' Day 1964 was enjoyed under perfect conditions by about 30 Old Boys. The School grounds were in perfect condition and an enjoyable game of cricket was fought out during the day. There is no reason why family groups should not enjoy the day also on future occasions. There is ample space for picnics and the baths and tennis courts could be used. With the spread of motels, it would be easy to spend a weekend in the Waikato with your family and enjoy Old Boys' Day at the same time.

The Reunion Dinner was held at the Hamilton Hotel and seemed to be enjoyed by all. From reports received, although the dinner finished about 9.30 p.m. the social side of things continued on to the wee small hours.

Cocktail Party

The cocktail party was again held in Auckland in mid-winter. This was organized by the Auckland members of the Committee and was an outstanding success. Your Committee hopes that it will be possible to arrange a similar function in the coming year.

Register

After a number of year's work, the School Register has finally been printed and distributed. Although it is inevitable in a publication of this type that there will be some mistakes that do occur, it is largely due to the work of Messrs Smale, Thomson and Ball that on this occasion the Register has proved to be extremely accurate.

A special thanks from all Old Boys is especially due to Mr Broadhurst who, in his usual very generous manner, undertook to finance the publication.

Scholarship

Members will recall that two years ago an appeal was made to members to finance an Old Boys' Scholarship to be offered to the School. This appeal received sufficient support for this Scholarship to be offered to the School and you may be pleased to know that a boy has been selected and will be attending the School for the next three years. I would like personally to thank all those Old Boys who, by supporting this appeal, made this Scholarship possible.

Library Appeal

You will remember that at the last Old Boys' Day a cheque for £60 was presented to the School for the library. The Headmaster has advised that this money was used to purchase chairs for the library.

Mr Ball

As most Old Boys learnt recently, Mr Ball left the School at the end of last year after being on the staff since 1947. It is a tribute to the respect in which Mr Ball was held that the appeal for a presentation to him was supported by a tremendous number of Old Boys and a very worthwhile presentation was made to him. Best wishes of this Association are extended to both Mr and Mrs Ball for the future and I hope that they will retain the many friendships they made during their years at St Peter's.

Conclusion

In conclusion, I would like to take this opportunity to thank the Committee, the Secretary and his Staff for their work during the year. Thanks to their efforts, the Association runs very smoothly".

LETTER RECEIVED FROM MR BROADHURST WHO IS STILL TEACHING AT ST. CHAD'S CATHEDRAL SCHOOL, LICHFIELD, STAFFORDSHIRE

27th March, 1965.

My Dear Ken,

Many thanks for your letter of February 17th. I am much honoured to have been elected Patron of the Old Boys' Association.

I have not met many Old Boys since I wrote last year. When I go to Oxford I usually see something of Roger Hollinrake, who is writing a thesis for his Doctor of Philosophy. And of course I frequently see John Edgecumbe; his second boy, David, is now in this school. Paul has left and is at Thorne Grammar School, where he is doing very well. Stormy Lad I see quite often; he has just been staying with me.

In May last year I had a visit from Peter Otway, back from the South Pole, and in July, Alister Whitelaw and his father called on me one day.

An interesting event was a visit by a present St Peter's boy, Nigel Dean, and his father. I learnt more about the School as it is now in the course of a drive to Stratford-on-Avon than I had gleaned from all letters previously received.

Early this year I went on two successive Thursdays to Stratford for matinees of the Royal Ballet, where I met Mac Debden-Wilkins (his sister, Hilary Debden, is a member of the Royal Ballet company). He is at London University, studying to be a dentist.

As for myself, I am glad to say that I keep extremely well. I have a slightly lighter timetable now, but more instrumental pupils. I have a good many outside activities. I am leader of the violas in the Lichfield Orchestra, which gives two concerts each year; on St Cecilia's Day I played the double bass with the Lichfield Chamber Orchestra at a recital in the Cathedral. I still sing in the Cathedral Special Choir, a choral society which meets once a week. I continue with my organ lessons, and am now allowed to practise on the Cathedral organ.

I have given up my German lessons. I really couldn't give enough time to them. Last year I passed the Advanced Motorists' test and now proudly wear the I.A.M. badge on my radiator.

Photographers may be interested to know that I have sold my Leica M3 and now have a single-lens reflex Nikon F with zoom lens, wonderful instrument.

Finally, it is quite likely that I shall be visiting New Zealand next December.

Best wishes to all,

Ever yours,

A.F.B.

Caldwell Stars for Glen Murray

P. Caldwell was Glen Murray C's striking force in a 3—2 win over Kihikihi C in a junior handicap match at the Auckland Provincial Polo Tournament at Claudelands today.

Riding hard and hitting the ball cleanly, Caldwell was easily the outstanding player for Glen Murray. He scored all three goals. Kihikihi's goals were scored by P. Kay. Both teams started from scratch.

Playing as a team, Waimai B set out to overcome its handicap in the next junior match against Cambridge D. Cambridge received eight goals and Waimai three. By the end of the second chukka Waimai had secured three goals off the stick, all by G. Broughton, to make the score 8—6. Cambridge's efforts were mainly individual.
